Research interests

Social and cultural impact of data and digital technology on spatial planning and territorial governance

Academic Experience

2026 **MSHBx young visiting scholar**, University of Bordeaux-Montaigne (1.5 months), FRANCE
2024 **INTERSECT visiting research fellow**, University of Copenhagen (3 months), DENMARK.
2023 – **Postdoctoral Researcher** on the ERC Advanced Grant Data Stories Project led by Pr. Rob Kitchin at the Social Sciences Institute of Maynooth University, IRELAND
2022 – 2023 **Visiting Researcher** at the Environmental Policy Group of Wageningen University & Research (8 months), NETHERLANDS
2019 – 2023 **Ph.D. in Geography** at laboratory Littoral, Environment, Teledetection and Geomatics (LETG), Nantes University, FRANCE
2019 – 2022 **Project assistant** for Knowledge Flows in Marine Spatial Planning (Erasmus+ project)

Education

2019 – 2023 **Ph.D. Student in Geography** at laboratory Littoral, Environment, Téledetection and Geomatics (LETG), Nantes University, FRANCE (defended on 31/03/2023). Thesis: *The submerged part of geographic information: A critical analysis through the case of marine planning*
2017 – 2019 **Master Degree in Geography and Planning**, Nantes University, FRANCE
2014 – 2017 **Bachelor degree in History & Geography**, University of Bordeaux-Montaigne, FRANCE

Awards, Grants and Fellowships

2026 **Davret J.** Marie Skłodowska-Curie European Postdoctoral Fellowship, University of Copenhagen. **€263 393,28**
2025 **Davret J.** & Noucher M. Young Visiting Researcher, MSHBx International Research Mobility Grant. **€6,000**
Davret J. Maynooth University Social Science Institute Small Grant Scheme. **€1,160.**
Veel K. & **Davret J**. Data Life Conference, Carlsberg Foundation. **52 000 DKK.**
2024 **Davret J**. & Pourinet L. Award of the geomatics innovation of the year. Section Sea and Coastline for the software CartABl. Challenge GeoDataDays.
Davret J. INTERSECT Visiting research fellowship. Copenhagen University. **10 000 DKK**.
2023 **Davret J**., Kayanan C., Kitchin R. & Mutter S. Data flows in the planning system. Local Government Management Agency. **€15,817**.
2021 Guyot-Téphany J., **Davret J**., Petrovitch S. & Trouillet B. Simplify public engagement in the French marine spatial plan. CEREMA**. €5,000**.
2019 **Davret J**. & Trouillet B. Doctoral Fellowship. Nantes University (50%) & Region Pays de la Loire (50%). **€98,000**.

Teaching experiences

French **University Teaching Qualification** (2024)
Section 23: Physical, human, economic and regional geography
Section 24: Spatial planning and urban development

Teaching

2024 – 2025 Policy and management of natural and cultural sites. Master 2nd year (12h). University of Le Mans, France
2021 – 2022 Geopolitics of the contemporary world. 2nd-year undergraduates (48 hours). Nantes University, France
2020 – 2021 Lecturer in cartography and computer aided drafting. 2nd-year undergraduates (55,5 hours). Sorbonne University, France
2019 – 2021 Lecturer in cartography and statistics. 1st-year undergraduates (40 hours). Nantes University, France
2019 – 2020 Lecturer field workshop week. 1st-year undergraduates (20 hours). Nantes University, France

Guest Lecturer

2024 Data for cities and cities as data. 4CITIES AUTUMN 2024: Urbanism and Architecture: Urban Imaginaries. Erasmus Mundus, University of Copenhagen, Denmark
2022 French MSP case study and stakeholders' involvement, Knowledge Flows in Marine Spatial Planning Autumn School, Ulster University, United Kingdom
2022 French MSP case study, Knowledge Flows in Marine Spatial Planning Spring School, Oldenburg University, Germany
2021 Organisation of the joint Knowledge Flows in Marine Spatial Planning winter school between the University of Liverpool and Nantes University
2020 – 2024 Introduction to doctoral research. 1st year Master students, Nantes University, France

Supervision

Master's thesis supervision: 2 students
